

**In the specification.**

On page 8, after line 16, please insert the following paragraphs after the words "...tapered bearings."

5

--Throughout the specification, the term "bearing race" is to be understood as the plurality of ball bearings disposed between the concentrically disposed inner and the outer rings. The arrangement being such that the bearing includes a bearing race of the plurality of ball bearings disposed between the concentrically disposed inner and the outer rings.

10

Additionally, throughout the specification, the term "bearing race" in another embodiment is to be understood as the plurality of tapered bearings disposed between the concentrically disposed inner and the outer rings. The arrangement being such that the bearing includes a bearing race of the plurality of tapered bearings disposed between the concentrically disposed inner and the outer rings.--
